LIBRARY SYSTEM UPGRADE

Thursday, April 5 — Sunday, April 8

Upgrading software is a best practice that takes into account the latest and most effective security settings, increased functionality, and the most current version of the system. As such, our library will be upgrading to the latest version of our library system beginning at **9:30 PM on Thursday, April 5 until Monday, April 9 at 9:00 AM.**

DURING THE UPGRADE

You can: Check-out materials

Renew items at the library as long as you bring the items with you

Access and download OverDrive ebooks and audiobooks (if library subscribes to service)

Search the internet

You can't: Search the catalog

View account information (including holds, renews, fines, etc)

Place holds

Pay fines

We apologize for this temporary inconvenience and look forward to providing you an improved online catalog experience.
